## Who We Are

The Eagles Nest Organization is an independent non-profit Parent Teacher Organization organized for the purpose of supporting the education of the children at BST by fostering positive relationships among the school, parents, and teachers. Membership is automatically granted to all parents and guardians of BST students, plus all staff at BST. There are no membership dues.

## Mission Statement

The purpose of the Eagles Nest Organization at Burns Science and Technology Charter School is to enhance and support the educational experience for teachers and students, to develop a closer connection between school and home by encouraging parent involvement, and to improve the overall environment through volunteer and financial support.

## What We Do

The Eagles Nest Organization is involved in many aspects of the BST community. We provide Teacher Grants for classroom materials, host Book Fairs and the annual Holiday Store, and facilitate BST Spirit Nights at local restaurants. We work closely with the administration and teachers to provide volunteers, enhance BST school spirit and pride, and recognize the hard work of our teachers, students, and staff.

*"Education is a shared commitment between dedicated teachers, motivated students, and enthusiastic parents with high expectations.*

*-- Bob Beauprez*

## Membership Meetings

All General Membership Meetings will take place on the first Friday of the month, at 8:30am, in the BST Cafeteria. All parents, guardians, grandparents and BST Community Members are invited to attend. If you are unable to attend our General Membership Meetings in person, you can join via Zoom, or look for important information on the Burns Sci Tech Families Facebook page and school website.
